

SPREADMARK CODE OF PRACTICE

FEBRUARY 2016 VERSION

SUMMARY OF CHANGES

On 12 February 2016, the Fertiliser Quality Council approved changes to the Spreadmark Code of Practice.

These changes were (in summary):

- Amendments associated with the proposed changes in the way that the Executive Director undertakes their responsibilities in relation to certificate signing. The signing provisions on Registration Certificates moved from the Executive Director to the Certification Manager. Spreader Test Certificates will no longer be counter-signed by the Executive Director.
- The Constitution of the Fertiliser Quality Council was amended.
