

REGISTER OF CADMIUM TESTING LABORATORIES RECOGNISED BY THE FERTILISER QUALITY COUNCIL

This is the Register of fertiliser testing laboratories Recognised by the Fertiliser Quality Council as being competent.

The criteria for this Recognition are defined in Appendix 5, 'Protocol for the Recognition of Competent Cadmium Testing Laboratories', of the Fertmark Code of Practice.

This Recognition by the Fertiliser Quality Council is based on the Peak Body status that the Council has in New Zealand in relation to matters pertaining to fertiliser.

The Register:
